

5TH INTERNATIONAL CONFERENCE ON ETHNOMATHEMATICS

MAPUTO, 7-11 OF JULY 2014

THIRD ANNOUNCEMENT

Dear All

After circulation of the Second Announcement there appeared some frequent questions from interested people to participate at the ICEM-5. I have the honour to send you the **THIRD ANNOUNCEMENT** trying to clarify and satisfy some aspects according to the posed questions.

The Local Organising Committee (LOC) is pleased to announce that the **5th International Conference on Ethnomathematics (ICEM-5)** will be held at the Faculty of Natural Science and Mathematics located at Lhanguene Campus of the Pedagogical University (25°56'36''S; 32°32'35''E), in Maputo, Mozambique, **from the 7th to 11th July 2014.**

Presentation topics

Presentations are accepted in **English, Portuguese, Spanish** or in any other language if it can be understood by the audience. There will be no translations provided by the LOC. We hope to receive interesting proposals in, among others, the following **thematic areas**:

- (1) Ethnomathematics and cultural anthropology / ethnology;
- (2) Ethnomathematics and history of mathematics;
- (3) Ethnomathematics and mathematics education;
 - (3.1) Ethnomathematics and teacher education;
- (4) Ethnomathematics and mathematics;
- (5) Ethnomathematics and mathematical games;
- (6) Ethnomathematics and music;
- (7) Ethnomathematics and philosophy.

Extended deadline for abstracts

Participants intending to make a **presentation** (paper, workshop, poster, exhibition) are requested to prepare their **abstracts** and send them not later than the **29th of April 2014** to the LOC e-mail:

icem5.moz@gmail.com

Please, indicate in the abstract the thematic area of the presentation as described above or, if different, please complete it like “Ethnomathematics and ... “. By now, that is, before the conference we need abstracts only, to be sent within the extended deadline. The abstract should be not longer than one A4 page, with normal margins, using Times New Roman, size 12 and 1.5 space between lines. All accepted abstracts will be published in electronic proceedings and available before the conference. The International Proceedings Publication Committee will establish the dates for submission of full papers.

Accommodation

In Maputo you may find a variety of accommodation standards. We present a list of some economic hotels, guesthouses, and backpackers places located around the central city, close to restaurants and shopping centers. Of course you may find other places to stay just by searching on the Internet. The selection we made was based on facilities for the LOC to organise the daily transport to the conference venue. The booking of rooms is under responsibility of each participant. For groups of at least ten people who want to stay at the same accommodation place, the LOC may ask for reduction of the daily rate. In that case, please let us know.
